Campbell Seeds

PASADENA'S STANDARD OF EXCELLENCE

"GET CAMPBELL QUALITY"

Bulbs. Ask for price list ready in July.

How and When to Plant. We issue monthly planting lists free. Reliable cultural directions are given for the asking. New residents not yet familiar with growing conditions will find these directions a saving help.

Gardeners. We keep a register of gardeners who are available for employment. Ask us if you are in need of such help.

Mail and Telephone. We make it a rule to answer promptly, and to fill orders whenever possible, the same day they are received.

Auto Delivery. Delivery is free within the city limits of Pasadena. Outside delivery can be arranged for satisfactorily. Call us up or write.

About Guarantee. Our seeds are all carefully selected and thoroughly tested as to vitality. All orders are taken and all shipments are made subject to your being satisfied with the seeds on arrival. You can examine them and then if you are not satisfied and will notify us within five days of receipt of goods, we are willing to refund the money paid for them and take the seeds back. We can entertain no claim after five days, or after seeds have been planted, as seeds of the best quality often fail thru various causes beyond human control. Therefore, we give no warranty, expressed or implied, as to description, quality, productiveness, or any other matter of any seeds, bulbs or plants we send out; and we will not be in any way responsible for the crop. If the purchaser does not accept the goods on these terms, they are at once to be returned.

About Prices. In consideration of the high quality of our seeds, our prices are very low. All prices are subject to market fluctuations.

Seeds by Mail. We send postpaid all garden and flower seeds at the prices given in this Catalogue, with exception of heavy seeds such as beans peas, corn and onion sets. If you order these by mail, be sure to add 5 cents a pound to cover postage in small lots and on larger quantities apply regular parcel post charges.
